## THE LAWNS

The main lawn area overlooks Table Mountain and has an unobstructed view of the vineyards and city lights beyond. The ideal space for welcome drinks and mingling, or the setup of your live band. This indoor venue lives out onto the garden and is easily accessible.

## INDOOR

A open and modern space ideal for the reception.  
A neutral palette of concrete and grey hues create a blank canvas to adapt to whatever decor & style you have in mind for your wedding!  
Open plan area, with accommodation (3 en suite bedrooms), upstairs.

## LOOKOUT DECK

Step out onto the wooden deck from the indoor space. Surrounded by the lawn, guests can move onto the deck where the ceremony will take place. The most picturesque spot at Stellar to marvel at the view and walk down the aisle.

## TENT

A beautiful space beneath the trees and filled with twinkling lights. A spacious tented area ideal for the dance floor or reception. This area also serves as a covered space, perfect for unexpected rainy days without obstructing the view.
