

LONG TABLES

STELLAR.
EVENT SPACE

vine & dine

Al fresco with your favourite people in the heart of Stellenbosch's renowned wine country. We love the privacy & closeness that our long tables create, and can't wait for you to experience this enchanting escape in the vineyards.

Whether its a brunch or a sunset overlooking Table Mountain as Cape Town's city lights start to flicker, our hope is for you to make cherished memories at Stellar Event Space.

We love complimenting the stunning scenery with simplistic tablescapes, minimalistic decor and natural elements.

Our family style menu consists of delectable dishes and seasonal fresh ingredients.

We hope to savour every little bit of summer & celebrate with you soon!

lastly..

Our Brunch is from 10.00 - 13.30

Our Dinner is from 17.00 - 21.00

Full payment for all guests is required to book and secure your date.

Long Table events will be held exclusively in the vineyard.

If you would like to book our accommodation (sleeping 6) or include our other Stellar venue spaces, please contact us to arrange this for you. We do host weddings and all other special occasions on site!

Our venue at Stellar is wheelchair friendly, but seeing as the vineyard is on gravel, the terrain is uneven & unfortunately not wheelchair friendly.

The restroom facilities are located at the main Stellar venue and thus a walk up the vineyard.

Cape Town summers can be very hot, so please remember a hat & sunscreen. We can also organise additional umbrellas in advance.

Cancellation due to inclement weather conditions that pose a safety risk or make the venue unsuitable for the planned activities, Stellar reserves the right to retain any deposits or fees already collected. The outside party may reschedule the event for a future date, subject to availability, without incurring additional charges. However, if a rescheduling is not possible, the initial fees will not be refunded. It is recommended to monitor weather forecasts closely and communicate with Stellar Event Space as the event date approaches.

Unfortunately these events are not pet friendly.
